Subject: Construction/Excavation Work Near Providence Kodiak Island Medical Center

To whom it may concern,

Construction/Excavation work is planned to begin the week of August 3rd. The Kodiak Island Borough will be repairing manholes located on Chichenof Street (near the PKIMC Longer Term Care Facility road) and on the alleyway between Chichenof Street and Simeonof Street better known as Kratty's Alley (near the hospital). Please see Figure 1 below of work area location. Kratty's Alley will be closed and no through traffic will be allowed. Residents that have driveways on Kratty's Alley will still be able to access their driveway by entering from Bartel Ave. However, this may change depending on the extent of excavation that may need to take place. The Kodiak Island Borough apologizes for any inconvenience during this time. If you have any questions or concerns, please call (907)486-9343.
