EVENT DATE

**October 7th & 8th
by Appointment ONLY**

WHERE

**Kodiak Island Borough
LANDFILL**

WHAT

Commercial Hazardous Waste

ALL Commercial Business and Government entities must register with US Ecology Service Contractor by or before September 24th in order to participate. US Ecology will take drop off appointments on a first come first serve basis - **so Don't Delay!** Qualified businesses and government agencies will be charged for transportation and disposal of their hazardous waste based on type and amount of their waste. Payment arrangements must be made in advance by issuance of a Purchase Order, Credit Card, or Business Check.

NO Cash or Personal Checks will be accepted.

Questions about the collection day or unusual items

please call Kodiak Island Borough

Engineering & Facilities Department at 486-9343.
