Resolution No. FY2008-04 states: "Directors shall be appointed by joint resolution of the Borough Assembly and City Council. Appointments shall take place annually, at July meetings of the Borough Assembly and City Council. Directors shall have staggered three (3) year terms of office, assigned by a random selection method at the first Board meeting, such that as close as possible to one third (1/3) of the Board is up for appointment each year. Directors shall serve until their successors are appointed and qualified."
